Mountain Bike Trails maintained in cooperation with:

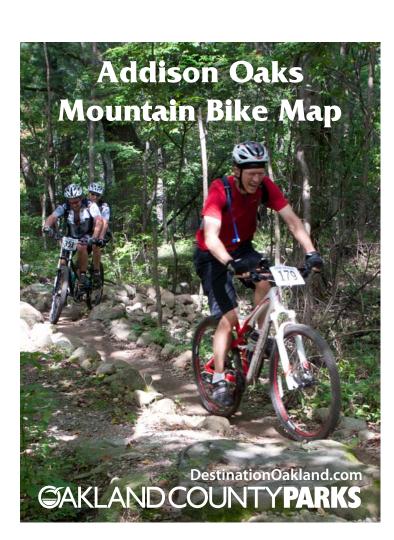

- **Shared trails.** Single track mountain bike trails cross and share segments with other trail routes. Adhere to trail signage and appropriately yield to other trail users.
- Plan ahead. Know your equipment, your skills, and where you'll be riding. Proper safety equipment including a helmet, gloves, and eye protection are recommended. Carry appropriate tools in case of a flat tire or other mishap. Have a phone with you and let someone know where you are and when you'll be back. Call 911 in case of an emergency.
- 8. **Report accidents or vandalism** to the Oakland County Sheriff's Office at 248.858.4950. Report all injuries to park staff at 248.693.2432.

The mountain bike trails in Addison Oaks have been planned, built, and maintained by CRAMBA-IMBA volunteers in partnership with Oakland County Parks.

The Clinton River Area Mountain Bike Association (CRAMBA-IMBA) is a chapter of the International Mountain Bike Association (IMBA) which exists to maintain and develop mountain bike trails and access in Southeast Michigan.

Please help support CRAMBA's efforts in building great trails like these.

Visit **cramba.org** to join CRAMBA-IMBA and learn about volunteer opportunities.

## Trail Rules

٦.

- Current Oakland County Parks vehicle permit required.
- Permits can be purchased at:
- Addison Oaks (Main) County Park Contact Station 8 a.m. 4 p.m. (daily) May September
- Valero Gas Station 20 Rochester Rd., Addison Township (NE corner of Rochester and Romeo roads)
- Or online at DestinationOakland.com
- 2. **Trail hours:** % hour before sunrise % hour after sunset, unless otherwise posted.
- 3. Leave no trace. Dispose of garbage in receptacles provided.
- Ride on open trails only. Respect trail closures. Don't make or reopen shortcuts or old routes or blaze new routes. Do not widen the trail by riding around mud. If it's too wet to ride down the middle of the trail it's too wet to ride without damaging the trail.
- Single track trails are one-way. The mountain bike route is a one way loop running clockwise. The route is marked with signs and on the map with arrows indicating the direction of travel. Do not ride trails backward.
